

## OUR INVITATION & MISSION

The Catholic Foundation invites you to experience the joy of giving now and beyond your lifetime. We are here to help you consider making gifts that will keep giving...gifts that support the Kingdom of God.

We have been inspiring and facilitating charitable giving for the long-term benefit of our donors and the Church since 1998. We are legally distinct from the Archdiocese of Denver to steward and protect the gifts entrusted to us with the ultimate goal of building up the Church and its ministries.

## WHY CHOOSE THE CATHOLIC FOUNDATION

Working with The Catholic Foundation allows you to create impact through planned and charitable giving that is meaningful and aligns with your Catholic values. Any funds managed and/or owned by us are invested using guidelines from the United States Conference of Catholic Bishops. We have expertise that we offer free of charge to Catholic parishioners.

### *Testimonial*

*"We once had careers in nursing and the telecom industry, plus we were raising a family. But our faith grew over time, and we saw the needs of our community. We started to live for God alone and shared our blessings with others. We decided to treat the church like one of our four children and split our estate five ways, with one share going to The Catholic Foundation for the benefit of our Parish and other Catholic organizations we love." – Colleen and Paul Lum Lung*

## IMPORTANCE OF HAVING A WILL

Creating a will is an essential part of being faithful stewards. If you die without a will, the handling of your estate and distribution of your assets will be determined by the state. A will is the only way to ensure:

- Careful handling of your assets according to your values, not the state in which you currently reside.
- Fulfillment of your charitable giving intentions and help the Church in the future.

*"As each one has received a gift, use it to serve one another as good stewards of God's varied grace."*

- 1 Peter 4:10
